A big thank you to Kelly Servos who organized our Christmas Semi Formal Dinner at Johnny Rocco's and to everyone who attended! It was a great evening filled with friends, laughter, and good food, all in the spirit of Christmas!

CHRISTMAS CAROLING

Thank you to everyone who joined us for Christmas Caroling! It was a great success and everyone at the Mount Carmel Retirement Residence enjoyed it!

In the Potter's Hands, Handmade Clay Rosaries

'In the Potter's Hands' is a handmade clay rosary making company, founded by Laura Raaymakers, designed to help fund young women, from the Dioceses of London and St Catharines, entering the religious life. Half of the proceeds from each rosary sold will go directly to the young women we support; two of those include Victoria Robles and Lauren Katanik from our very own Brock Catholic Community!

Each bead is carefully hand-rolled out of natural and polymer clays, as well as the roses and leaves. The rosary is about 24 inches long and has been hand-painted and glazed for shine and protection. These rosaries make the perfect gift for family and friends, whether for a birthday, Christmas, Easter, Baptism, First Communion, Confirmation, Wedding, etc.!

Please consider supporting us by purchasing a rosary to help foster vocations! For further information about our mission and/or our products, please contact Laura Raaymakers or email us at pottershandsrosaries@gmail.com.
